

# Workshops on Mission

## A Church for Others and for the World

**Is your parish vitally  
involved in God's  
mission?**

**Is it engaged  
with its surroundings?**

In the gospel is revealed the saving justice of God.

The Justice, Peace and Creation Committee of the Diocese of Rupert's Land is prepared to work with you in designing workshops to help your parish explore its response to God's mission. We envision workshops of 2-to-2.5-hours length. Workshops would provide grounding in the values of God's kingdom. Parishes would be encouraged to consider concrete possibilities for new mission activity.

### Possible Workshop Themes

- Aboriginal Issues and Treaty Rights
- Affordable and Secure Housing
- Poverty
- Climate Change
- Food Security and Agriculture
- Millennium Development Goals
- Mental Health

If your parish would prefer to explore another issue not listed here, please contact us.
