## Contacting Us

To book a workshop for your parish please contact Jack Risk at jrisk@rupertsland.ca or 992-4202. Due to holidays do not expect a direct response until the third week of January.

## Note

It is our expectation that your parish will also be participating fully in the *Our Vision for Mission* process being offered by the Way Forward Management Council.

Our workshops are intended to complement the visioning for mission process. Together they will help firm up your parish's commitment to new mission.

Note also that the Stewardship Council of the diocese will be expecting parishes that avail themselves of their services to have participated already in the Way Forward visioning for mission exercise.
