

COMPANION DIOCESE COVENANT
between
The Diocese of Central Buganda
and
The Diocese of Rupert's Land

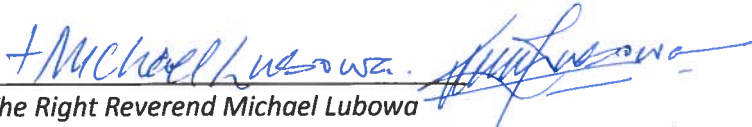

As Churches who live under the Lordship of Jesus Christ, and as members of the Anglican Communion, we hereby covenant together to be COMPANION DIOCESES

- We agree to continue our work together as Companion Dioceses for a period of five years beginning January 1, 2017 and ending December 31, 2021.
- We agree to communicate with one another about our plans and hopes for the Companion Diocese program, working through our respective Link Parishes and Partners in Mission Committees. We also agree to exchange minutes of Diocesan Outreach Committees.
- We agree to share knowledge about one another throughout our Dioceses, using prayer cycles, information packages including video tapes, School and Sunday school materials and links between women's, men's and youth groups.
- We agree to continue to encourage companion parish relationships and to seek ways to enrich them.
- We agree to visit one another at mutually agreeable times through our representatives: Bishops, clergy and lay people.
- We agree to build our Companion Diocese program upon what we can share mutually with one another in our common mission to spread the news about Jesus Christ to the world.
- We agree to explore and gain an appreciation for the missional contexts of our dioceses and the faithful proclamation of the Gospel in those contexts.
- We agree to evaluate our Companion Diocese program after 3 years, in order to strengthen it and to consider an extension of the Covenant at the end of five years.
