Opportunities in Spiritual Care

We have new opportunities for individuals interested in intersecting with marginalized populations using a variety of skills and interests including:

- building relationships with diverse people
- listening, encouraging and praying with others
- deepening your understanding for intercultural ministry
- contributing to imaginative program brainstorming
- providing creative opportunities to learn for those with differing capacities
- leading worship through practical means (music, art, scripture reading, teaching, prayer practices)

Spiritual Care Programs

The Upper Room, our weekly Worship Gathering is held on Thursdays 6:30 – 8:00 p.m. This is a unique opportunity to connect in the inner-city through spiritual conversation, sharing a meal, and praying and worshipping together as a community. We desire to create a sanctuary where all honored and given voice.

SiloamCafé is a coffeehouse-style event occurring every Sunday from 3-5pm. SiloamCafé is a first entry point for spiritual care, providing inspirational entertainment (movies, acoustic music, etc.) a restful environment and relational opportunities. for volunteers can serve food, build relationships, and even provide the entertainment.

Spiritual Care desires to be an inclusive space for healing and developing vibrant community relationships while honoring culture through spiritual development centered in the heart of the Creator.

We are interested in crafting a unique practicum experience that suits your gifts and your desired areas of growth.
