(An incumbent, is defined as a person who holds a valid and subsisting licence from the Bishop and who has been appointed by the Bishop to be in charge of and to perform ecclesiastical duties in a parish, mission, or special ministry; and such terms as “rector”, “vicar”, “curate” and “chaplain” denote specific kinds of incumbents. Interim Priests and Priests in term appointments may also be referred to as ‘incumbents’. Whether or not a provision in the Handbook applies to persons who are not incumbents will be determined by the Bishop.

DIOCESE OF RUPERT'S LAND

1. Diocesan – Parish Relations

1-1 The Family

In the Diocese of Rupert's Land, all parishes are an integral part of the Diocesan family. Parishes do not act entirely independently, nor do the Diocesan Officers act entirely independently as each is part of the other.

Parishes elect delegates to the Diocesan Synod, and delegates are expected to participate both at Synod and between Synods by informing the Parish of discussions and decisions of Synod.

A number of Parish delegates will be elected from the Synod to Diocesan Council to carry out the work of the Synod between Synod meetings, and a number of Council members will be elected to the Diocesan Executive to manage the affairs of the Diocese on a day to day basis.

In addition to the Executive, there are currently the following committees formed as part of Diocesan Council operations:

- Archives
- Budget
- Compensation
- Finance
- Property Committee
- Rupert's Land Indigenous Circle

Each parish or mission will function as a corporate body, consisting of the incumbent and the two Churchwardens, depending upon the parish status, the wardens may be elected/appointed by the parish/incumbent, or may have their election/appointment confirmed by the Bishop.

The corporation acts as the trustees of the parish and act jointly in many matters. Specific human resource responsibilities may be divided between the three persons. Nevertheless the wardens and incumbent should always act in consultation with each other.

It is essential that the church be a place where the dignity and worth of each individual is affirmed and where the theological concepts of accountability, redemption, justice, compassion and the good stewardship of resources are lived out. Therefore one must also accept the reality of stewardship of resources, and find ways of assisting those parishes that are not currently self-sufficient to deal with their realities and their future.

This means that:

- ✧ People are valued because they are children of God.
- ✧ Ministers, both lay and ordained, are accountable for their ministry and their personal life.
- ✧ Expectations are clear and boundaries are honoured.
- ✧ All statutes and legislation are complied with.

DIOCESE OF RUPERT'S LAND

- ✧ The balance between pastoral concern for an employee/minister and the good stewardship of resources is constantly monitored.
- ✧ The balance between the needs and opportunities of individual parishes and the needs and opportunities of the Diocese, as a whole is constantly monitored.

1-2 Expectations of Diocesan Clergy

- ✧ Clergy are expected to give strong leadership in the development of the relationship between their Parish and the wider diocesan community.
- ✧ Stipendiary Clergy are expected to take part in Diocesan Synod, Annual Clergy and Lay Professionals Residential Conference, Bishop's gatherings with the clergy, and Deanery Meetings.
- ✧ In consultation with the Parish, the clergy are expected to be actively involved in Clergy Continuing Education, and to make use of the Diocesan Policy regarding Study Leave.
- ✧ Clergy are expected to enter into a Sabbatical every 5-7 years. Further information is found in article 3-12
- ✧ Clergy are expected to maintain a strong spiritual life by taking part in an annual retreat and/or a programme of spiritual direction.
- ✧ Clergy are expected to encourage parishioners to be actively involved in Diocesan and Deanery events, such as Synod, Conferences, etc.
- ✧ Clergy are expected to support baptismal ministry by encouraging parishioners to discern their gifts and use them in their Parish and Diocese.
- ✧ Clergy must be able to work collegially with all clergy.
- ✧ Within the Diocese there are many varieties of opinion and position in theology, ecclesiology, and liturgy. Clergy are expected to display an awareness of, and appreciation for, the diversity of Anglicanism.
- ✧ All ordained persons holding a bishop's licence of appointment as incumbent or other responsible (parish) position will participate in a review as required by the diocese.
- ✧ Normally incumbents should not move before completing 4-5 years in their present position; for curacies and others newly ordained, a period of at least 2 years is a reasonable expectation.

1-3 Expectations of Parishes

Parishes are expected to encourage members to be knowledgeable about Diocesan issues and directions. Members are encouraged to volunteer to work on committees for the benefit of both the Parish and the Diocese.

Mission and Administered parishes are expected, where possible, to become self-supporting and move towards self-administration. Assisted Parishes are expected to return to self administration and full self support as quickly as possible.

Self-supporting parishes are encouraged to take on partnerships and to assist with mission work in other parts of the diocese or the global work of the church.

Parishes are also expected to support members discerning for ordained ministry.

Parish corporations are responsible for employment of their lay staff.

DIOCESE OF RUPERT'S LAND

1-4 Expectations of the Bishop

The bishop is in a special covenantal relationship with the clergy of the Diocese. The following outlines important aspects of that relationship.

- ✧ In the ordination service, the bishop is called “to guard the faith, unity and discipline of the Church.” The bishop will provide leadership and support to the clergy in fulfilling this ministry, and in ensuring the quality of theological formation for those involved in handing down the faith.
- ✧ In the ordination service, the bishop is called “to be in all things a faithful pastor and wholesome example for the entire flock of Christ.” By the grace of God, and to the best of his/her ability, the bishop will carry out this ministry amongst the clergy and lay members of the diocese.
- ✧ In the ordination service, the bishop is called to “sustain your fellow presbyters and take counsel with them; and to guide and strengthen the deacons and all others who minister in the Church.” By the grace of God, and to the best of his/her ability, the bishop will honour these relationships.
- ✧ The bishop is expected to give strong leadership in the development of the relationship between the local parish and the diocese as a whole.
- ✧ The bishop is expected to provide support to clergy in being actively involved, in appropriate ways, in Diocesan ministries and events.
- ✧ The bishop is expected, along with the clergy, to help provide support for the nurturing of the Baptismal ministries of members of the Diocese.
- ✧ Within the Diocese there are many varieties of opinion and position in theology, ecclesiology, and liturgy. The Bishop is expected to nurture and promote an appreciation for diversity in all parts of our Diocesan life.
- ✧ The bishop is expected to offer fair, honest and faithful judgment in all matters – particularly those involving the pastoral and employment relationships of the clergy.

1-5 Expectations of the Diocese

The Diocese is expected to provide overall direction and support for its member parishes.

The Diocese is expected to provide for appointment of clergy as incumbents, curates, and other ecclesial positions.

The Diocese is expected to hire lay staff, for The Diocese of Rupert's Land in accordance with guidelines and in consultation with the Executive Committee and to provide for the efficient and accurate administration of Diocesan affairs.

The Diocese is expected to provide for the central payment of wages and stipend for Diocesan Clergy and staff.

1-6 Episcopal Courtesy Guidelines with respect to changes in Deployment

The following guidelines are intended to clarify the expectations and processes whereby a priest or lay professional transfers from one jurisdiction to another for both long-term and short-term ministry. The underlying premise is that both sending and receiving bishops should be fully involved in initiating the process and managing it through to

DIOCESE OF RUPERT'S LAND

completion. They should be fully informed of all decisions, and never taken by surprise or embarrassment.

It is recognized that clergy and lay professionals are ordained or otherwise affirmed for ministry in the whole Church. They should not be made to feel guilty for considering moving to another diocese. No bishop should keep individual clergy on a protected or "untouchable" list. Nevertheless, bishops have the responsibility to share with one another whether the welfare of the church really is being promoted by the move of an individual priest at any time. The timing should feel reasonably right for all parties.

The steps listed are to be followed:

- ✧ Any bishop desiring to approach a priest or lay professional, or in responding to an application for a position from another diocese, should first consult with the bishop of that diocese.
- ✧ Parishes should be informed that before they can approach a person in another diocese, consultation must take place with their own bishop who in turn, would request permission of the bishop of the other diocese.
- ✧ Clergy who desire to leave their present diocese and who want to make inquiries before submitting their resignation or notice should *first inform their own bishop in writing*, and then with his/her consent proceed by approaching bishops of other dioceses, not individual parishes.
- ✧ It is increasingly common for a diocese to advertise vacant positions in The Anglican Journal, local diocesan papers or other publications and on diocesan and national Church websites. Such advertisements should always include a clause directing all potential applicants to first obtain the permission and blessing of their present bishop before making application.
- ✧ In the transfer to another diocese, matters to be negotiated by both dioceses include:

Any outstanding debts, or other obligations
Accrued vacation time
Date and method of announcement of appointment
Exchange of letters of transfer and Bene Decessit.

- ✧ Short-term or guest ministry - Bishops bear responsibility for ministry within the diocese, they must be consulted before invitations are issued to others from outside the diocese to minister within the diocese.
- ✧ Before bishops accept invitations to other dioceses, they should ascertain that the local bishop has already been notified.
- ✧ Before a priest or lay leader is invited into a diocese for parish, diocesan, or other recognized ministry event, permission should be sought and obtained from both bishops.
- ✧ Basic information on the Discernment process can be found on The Diocese of Rupert's Land website at www.rupertsland.ca. For further information the Bishop's office can be contacted.

1-7 Appointment Process in the Diocese of Rupert's Land

(March 1998 – Revised April 2010)

- ✧ When the Bishop has accepted the resignation of an incumbent, or when a Parish is declared to be without an incumbent, the Bishop immediately communicates

DIOCESE OF RUPERT'S LAND

with the Wardens describing the process for appointment of an incumbent. At present the Diocese is making use of trained Interim Priests to guide parishes between incumbencies. At an appropriate time, the Bishop calls into being the Canonical Committee consisting of two churchwardens and Lay Delegates to Diocesan Synod.

- ✧ The Interim Priest with a Parish Transition Team leads the parish through the necessary steps of the interim period, including processes that eventually lead to the preparation of a new Parish Profile.
- ✧ When the Parish Profile is approved by the Parish leadership, the profile is submitted to the Bishop and Archdeacon for revision and final approval.
- ✧ The position description is circulated in the Diocese of Rupert's Land, and to the Diocesan Offices of all the Dioceses of the Anglican Church of Canada. A synopsis is also posted on the website of the Anglican Church of Canada and the Diocesan website. The closing date for applications is normally six weeks after the date of advertisement.
- ✧ Applications accompanied by a resume and responses to questions framed by the Bishop in a letter to prospective candidates are returned to the Bishop before the deadline date. An applicant from another diocese must have advised the Bishop of that Diocese. The Bishop of Rupert's Land contacts the applicant's Bishop. All applicants must produce and submit a certificate from the Police and a report from the provincial child abuse registry where applicable.
- ✧ The Bishop convenes a meeting of an Advisory Committee comprised of the following persons for the purpose of examining the applications:
 - Bishop
 - Archdeacon
 - Two Churchwardens
 - Two lay persons, appointed by the Bishop, who are members of Diocesan Synod, but who are not members of the Parish in process,
- ✧ The Advisory Committee submits a list of 3 – 5 applicants to the Canonical Committee. The Canonical Committee interviews all candidates on the list. All applicants who are not to be interviewed are contacted by letter from the Bishop's Office.
- ✧ The Canonical Committee submits one name to the Bishop. The Bishop informs the successful candidate, and all others who were interviewed.

2. Administration

2-1 Stipend Oversight

It is the responsibility of the Bishop to oversee clergy remuneration to ensure compliance with diocesan policy and diocesan minimum stipends levels. It is the responsibility of the Parish, through the wardens, to ensure adequate funding and to negotiate specific remuneration at or above the diocesan minimum.

The Diocesan Office offers central payroll to parishes on a voluntary basis at a nominal administration cost. Diocesan central payroll administers the remuneration package and bills the parish for the following:

Stipend, where applicable,

The employers share of:

Professional development

DIOCESE OF RUPERT'S LAND

Pension
Long-term disability
Group insurance
Medical plan, extended
Employee Assistance Plan
Canada Pension Plan
Employment Insurance

Travel and work-related expenses are reimbursed directly by the parish.

Note: There may be some parishes that do not use the central payroll system and those parishes should review their policy accordingly to ensure maximum benefit to the parish and its clergy.

Honorary Assistants may receive an honorarium from the parish.

2-2 Stipend Scale

A clergy stipend scale from year one of ordination as a Deacon to year 26+ of service is reviewed on a regular basis by the Diocesan Compensation Committee. The process is based on the following steps:

- ✧ Review of the cost of living index, July CPI of current year is the basis for stipend scale increase for the following year.
- ✧ Recommend draft policy changes to Diocesan Executive,
- ✧ Final recommendation to Diocesan Council for approval.
- ✧ Instruction to Diocesan staff to circulate new information, effective the January 1 following approval, unless different specific dates apply.

2-3 Stipendiary Scale when entering ministry from a different occupation.

Until recently, there has been no formal practice of providing a person, who enters stipendiary ministry later in their working life, an advanced stipend level in recognition of equivalent experience, nor does there appear to be an equitable formula by which such decisions are made. Some parishes have provided a stipend which acknowledges that previous experience in a former occupation brings worth that should be reflected in stipend by matching year for year or a fraction of the years of service in the former occupation. This decision is governed by the parish's ability to offer a higher stipend, its disposition towards generosity, the relatedness of the previous occupation to parish ministry and/or the income received from pensions from previous employment.

Given the number of variables that impact this decision, a precise formula or scale is neither practicable nor appropriate; rather, a process of negotiation is proposed.

Once it is decided that such a person is to be appointed as the incumbent, the Bishop or one of the Archdeacons will undertake a negotiation with the wardens and the proposed incumbent to determine the appropriate level of compensation for previous experience on the years of service scale. Once this is determined, ratified and documented in the incumbent's file by the Bishop, the cleric advances on the scale annually from that year. This decision would be considered "portable", that is when the cleric moves to his or her next appointment within the Diocese, he or she, could expect to be paid at least

DIOCESE OF RUPERT'S LAND

according to the basis of advanced years of ordination identified in the previous parish. However, vacation entitlement is based on actual number of years of ordination, not on one's standing in the stipend scale.

2-4 Priest (Term appointment)

When an incumbent resigns, retires or is unable to continue the incumbency it will be necessary to appoint a priest to provide sacramental ministry and pastoral care. The type of appointment will be decided in consultation between the Bishop and Parish, considering the history of the Parish, the number of years the previous incumbent was there and the ability of the parish to pay a full stipend. If it is intended that a full-time incumbent be sought, this appointment will be Interim (Intentional); otherwise it will be a Term appointment.

2-5 Priest - Term

The parameters of an appointment of a priest in a term appointment will be determined at the time of appointment and may range from a full time position to a percentage of full time, or limited to Sunday services only. Appropriate deductions may be required based on diocesan and National Church policies.

2-6 Interim Priest (Intentional)

As outlined in the Appointment Process a person to be appointed as an Intentional Interim Priest (or Interim Minister) must have completed part 1 of the Interim Ministry Training. This person, on appointment, will lead the parish through the 5 tasks of Interim Ministry, which are:

- ✧ Helping the congregation to understand its history and previous relationships with incumbents and other clergy;
- ✧ Discovering the congregation's special identity and dreams, following the departure of the previous incumbent;
- ✧ Dealing with the inevitable shifts in leadership that take place during transition;
- ✧ Reflecting on the congregation's relationship with the Diocese and the wider church;
- ✧ Developing a commitment to the anticipated new leadership of the incumbent with the possibilities that the future will bring.

(Taken from the Interim Ministry Network data)

See Other Information: 6-3 Interim Ministry in the Parish.

2-7 Less than Full Time Appointments

Clergy whose appointments are less than full time are paid a pro-rated stipend based on their years from ordination. E.g. If they are to be employed in a half-time position, the minimum stipend and housing would be calculated as ½ of the stipend for the number of years they are from ordination and ½ the housing allowance that has been approved by Diocesan Council for that year (unless they are living in a rectory).

Reasonable reimbursement of travel expenses should be provided if the appointments include travelling and visiting. Travel does not normally include commuting between church and home, but may be adjusted by agreement, if required.

DIOCESE OF RUPERT'S LAND

2-8 Sunday Supply

Level of payment for Sunday Supply is part of the Compensation Committee's annual recommendation to Diocesan Council.

Parish and Missions normally pay fees and mileage directly to the Priest providing the service. Other arrangements must be negotiated with the Diocesan office.

2-9 Moving Expenses (Canon 10)

It is the responsibility of the parish to pay for the move of the newly appointed clergy, and approve or make the necessary moving arrangements for the newly appointed clergy. The diocese may assist with the moving expenses, in special circumstances, such as an administered or grant aided parish. The individual who is moving, and the wardens of the parish to which he or she is moving, should negotiate a general agreement about moving expenses.

2-10 Return of former Incumbents during transition

Once a new Incumbent (or Interim Priest) takes up his or her position, former clergy may be invited back only by the Incumbent (or Interim Priest). The Incumbent, (or Interim Priest) by his /her Episcopal appointment has the responsibility and the right to be in charge over all church's ministrations within the parish. It is inappropriate for parishioners to request the ministry of a former incumbent in place of the present one.

2-11 Statutory Holidays

New Year's Day	Louis Riel Day
Good Friday	Victoria Day
Canada Day	Labour Day
Thanksgiving Day	Christmas Day

If a holiday falls on a Saturday or Sunday, a compensating day is given with the exception of November 11th. Boxing Day and Easter Monday are not considered statutory holidays, but are given at the discretion of the employer.

2-12 Fees and Gifts for Services (Canon 25)

"All fees and gifts for services shall be paid to the parish and, together with all Christmas offerings, shall be recorded as income in the accounts of the Parish, and Vestry shall decide on the disposition of these fees, gifts and offerings. Services are all services rendered on behalf of or in the name of the parish by the incumbent, an employee, parish group, or a member of the parish. Services include but are not limited to baptisms, confirmations, weddings, anniversary celebrations, funerals, memorial services, house blessings, house calls, healing and counseling." (Canon 25, paragraph 4)

Services, for which many fees or gifts are usually received, are responsibilities which normally fall within the job descriptions of most clergy, responsibilities for which they are already being paid. There are, of course, circumstances which require clergy to be paid for rendering specific services. An example may be an ordained person asked to

DIOCESE OF RUPERT'S LAND

officiate at a wedding or funeral removed from his or her own charge, especially where travelling expenses will be incurred. Another example would be retired and “secular employed” clergy who, when asked by the community to perform certain pastoral services, are not otherwise compensated for such work. Other examples exist, but the principle remains that the church should support them in their calling. Neither the clergy nor the church is to reduce their ministry to a service available for hire and create an environment of “fees for services rendered”.

The following are ensured by this Canon:

- ✧ All parish income is properly recorded
- ✧ A more complete profile of the true income of clergy, parish employees and parish groups, is declared.
- ✧ All contributors receive a formal receipt for income tax purposes (where applicable)

The following guidelines are to be observed:

- ✧ Fees and Gifts – Any fees and gifts received for the use of space or for services rendered should be paid to the Parish Treasury and not to individuals. Distribution of these fees to various groups or individuals would be a policy decision of Vestry, taking into account any existing contracts or agreements. Appropriate deductions should be made with the amounts being reflected on T4 slips where appropriate.
- ✧ Special Christmas Offerings – It is recommended that all Christmas offerings be received and recorded in accounts of the Parish. If the parish decided to pay out a bonus to the incumbent or other members of the personnel team, that would be a policy decision of Vestry. Appropriate deductions should be made with the amounts reflected on T4 slips. This should ensure that the total income figures of the parish as well as its clergy costs are properly reflected.
- ✧ Deductions – It is recommended that appropriate deductions be negotiated between staff and parish for gifts and fees that are paid to them.

3. BENEFITS

3-1 Housing

Diocesan Canon 10 states “the duty of providing and maintaining a suitable residence for the incumbent ... or an appropriate allowance in lieu thereof, rests upon the parishioners to whom the incumbent ministers”. Clergy housing allowance rates are based on the recommendations of the Diocesan Compensation Committee as approved by Diocesan Council. Current rates can be obtained from The Diocese of Rupert’s Land.

Canada Revenue Agency, as at January 1, 2010, Regulation:

All clergy members who live in their own house or rent a property and claim a clergy residence deduction based on the fair market value of the house or rent paid, respectively, are required to file a T1213 (Request to Reduce Tax Deductions at Source for Years) – Clergy can make the request for up to two years with their local tax office. Until the approval form has been received, income tax and Canada Pension will be required to be deducted from the housing allowance.

DIOCESE OF RUPERT'S LAND

Canada Revenue Agency often will request additional information to be provided, such as:

- Detailed job description
- T1223 (Clergy Residence Deduction) estimated for that year
- Proof of appointment (e.g. license)

3-2 Canada Pension

All clergy and lay employees, full and part time, are required to pay into the Canada Pension Plan when under the age of 65 even though the employee may be receiving a CPP retirement pension (as at 1/1/12). Employees that are at least 65 but under 70 can elect to stop contributing to CPP if the employee is receiving the CPP retirement pension by completing a CPT30- Election to Stop Contributing to the CPP and forward one copy to the employer and send the original to CRA. This will come into effect the month following the date a copy has been given to the employer.

Premiums are matched by the employer and established by income level. CPP premiums are NOT deducted from clergy housing allowance if approval has been received from Canada Revenue Agency that tax will not be withheld at source.

3-3 Employment Insurance

All employees are covered under the Employment Insurance legislation of the Federal Government. Employee deduction is based on monthly stipend, plus monthly housing allowance if paid in cash, plus the taxable portion of the Anglican Church of Canada Benefit Package. The Employer's contribution is 1.4 times the employee's contribution.

3-4 General Synod Pension Plan

At ordination, clergy receiving a stipend are enrolled in the General Synod Pension Plan of the Anglican Church of Canada. This is a multi-employer defined benefit plan registered with the Province of Ontario and is in addition to the Canada Pension Plan. Pensionable income is calculated as 150% of stipend.

All stipendiary clergy are members of the General Synod Pension Plan, as governed by General Synod Canon VIII and those Regulations.

The General Synod Pension Plan is vested after two years of membership.

3-5 The Anglican Church of Canada Benefit Package (Extended Medical Plan)

This plan is mandatory for all employees, unless covered under insurance provided by a spouse, and is in addition to the mandatory Manitoba Health Services. Stipendiary clergy receive extended health, dental, and vision benefits and RX plus for prescription drugs.

Superannuated clergy, who retire from active service, can continue with the Extended Medical Plan. This will be deducted from the clergy pension at source.

Upon the death of a clergy member, coverage continues for the surviving spouse.

DIOCESE OF RUPERT'S LAND

3-6 Group Life Accident Insurance

Stipendiary clergy who work at least 20 hours a week are eligible for this coverage. The basic life insurance is \$100,000 and in case of accidental death an additional \$100,000 is paid out.

3-7 Short-term Disability (Sick Leave)

It is the recommendation that a Multiple Employer Plan (MEP) be instituted by the Diocese of Rupert's Land. This has been passed by Diocesan Council September, 2017.

The Diocese of Rupert's Land arranged with Employment Insurance for a plan which covers income for all clergy and employees enrolled in the Extended Health Care Plan of the Anglican Church of Canada for short-term disability.

- ✧ The MEP covers unemployment caused by illness and only comes into effect after the employee has exhausted all sick time available to them. Owed vacation time is not affected by the plan.
- ✧ Generally there is a one week waiting period for EI benefits, but this is decided on an individual basis at EI. If the one week period is required, the Diocese of Rupert's Land SUB Plan allows for 95% of the employee's weekly earnings during that one week.
- ✧ To start on the SUB Plan, the employee must receive a Record of Earnings and apply for EI benefits. Once approved, the weekly income (including EI and SUB income) will be 95% of the employee's weekly earnings.
- ✧ The employee must provide EI cheque stubs to the Director of Finance at The Diocese of Rupert's Land so that verification of the SUB payment can be completed accurately.
- ✧ All payments to the employee while on the SUB plan will be facilitated through the Diocese of Rupert's Land centralized payroll and the appropriate parish will be required to be on the electronic funds transfer for payroll for this individual. The Diocese will keep a record of all SUB payments. There is a parish cost for this service.
- ✧ The maximum allowable on the SUB plan is 17 weeks. Subpayments will continue for the 17th week, although EI is exhausted.
- ✧ The SUB plan once approved by EI will be in force for 5 years. A new agreement must be approved at that time through EI.
- ✧ A written notice of any change will be given to Service Canada within 30 days of the effective date of the change.
- ✧ Addendum: Payments in respect of guaranteed annual remuneration, deferred remuneration or severance pay must not be reduced or increased by SUB received under the plan. These amounts include any benefits to which the employee is entitled i.e. sick leave, vacation leave, commissions, bonus, etc.

3-8 Long-term Disability

Clergy enrolled in the national long-term disability plan of the Anglican Church of Canada will pay, along with their employer, premiums based on 150% of stipend.

DIOCESE OF RUPERT'S LAND

All stipendiary clergy, who work at least 20 hours a week, are covered by LTD.

Benefits are payable following a waiting period of 119 days. The monthly LTD benefit payment is taxable, and is calculated at 60% of salary to a maximum of \$ 10,000.00

The LTD benefit paid will be reduced by income from the Canada Pension Plan, and 60% of the value of housing or housing allowance provided during disability. Information on the process for LTD and application forms are available at the Diocese of Rupert's Land.

3-9 Employee Assistance Plan

A confidential counseling and health promotion package with Blue Cross is available for all stipendiary clergy and full time lay workers in the Diocese. The monthly premium is shared on a 60% employer and 40% employee basis.

3-10 Travel

Semi-annually the Diocesan Compensation Committee recommends to Diocesan Council, for its approval, changes to the rates for reimbursement for kilometers (for clergy) driven for employment purposes.

As well, casual travel for Diocesan purposes recognizes that the fixed cost portion of mileage is included in the parish compensation, whereas Diocesan Travel is based on variable costs only.

3-11 Vacation and Leave

For purposes of reporting, the vacation or leave year corresponds with the financial and calendar year. All those who qualify for vacation or leave are required to keep a record of the time used and to submit an annual report to their Parish (if applicable) and to the Diocesan office, no later than January 15th of the following year. Because employment is considered continuous during a legislated or approved leave, such leave will have no effect on the calculation of years of service or eligibility for leave.

Vacation

Full-time clergy are entitled to vacation as follows:

Minimum of:

For the first ten years of ordination	- 1 month
Between 10 and 15 years	- 5 weeks
Thereafter	- 6 weeks

All clergy are encouraged to take at least two consecutive weeks of vacation per year.

The expense of providing for services during such vacation shall be borne by the parish.

Accumulated Overtime (primarily for those in part-time positions)

Clergy may accumulate no more than 1 month of banked time at any one time, unless previously mutually agreed upon by the Parish and Clergy.

3-12 Sabbatical

Members in the Anglican Church of Canada Plan for at least five years may apply for full-time study leave. Resources permitting, members may be granted up to \$3,000 (after exhausting the funds in their Continuing Education account) in order to complete eight or more weeks of study.

Applications for sabbatical grants are available from the Diocesan office. Members will be asked to provide the following information:

- ✧ study goals
- ✧ how work will be supervised
- ✧ how work will be evaluated
- ✧ pertinence to future employment in the Church
- ✧ budget

3-13 Continuing Education plan

Plan Membership

All stipendiary clergy automatically join the Continuing Education Plan on their first day of employment.

Use of Benefits

Members may use the Plan to cover the cost of:

- ✧ any continuing education program or course of study
- ✧ books or other materials
- ✧ computer hardware or software

Applications for benefits are available from the Diocesan office or can be accessed at www.anglicanpension.ca

3-14 Study Leave

Each salary source provides up to three weeks annually for continuing education (study leave). This can be accumulated to a maximum of 14 weeks at the rate of two weeks per year.

Persons qualifying for study leave are required to keep a record of leave used, including in-service days, live-in days, and other workshops. An annual report is to be provided to the Diocesan Office. The accumulated study leave would not be considered portable to subsequent appointments unless it was specifically negotiated at the time of a new appointment. Accumulated study leave cannot be added to compensation at termination of employment unless, at the discretion of the Bishop, such addition would be seen conducive to finding employment in another field of endeavor. During study leave, full stipend/salary and benefits will be maintained by the salary source.

DIOCESE OF RUPERT'S LAND

Cost of interim replacement is the responsibility of the salary source, which can request assistance in addressing these additional costs.

The principle guiding the benefit of study leave is that sustaining the vocational, spiritual and emotional vitality, competence and growth of clergy would be of equal benefit to the church and its personnel.

Although the General Synod Canon governing continuing education stipulates that time is to be made available by the salary source for continuing education, it does not specify responsibility for replacements during study leave. It is the Corporation's responsibility to cover supply during a sabbatical.

3-15 Maternity or Parental Leave

Effective January 1, 2009, when a clergy member takes maternity/parental leave, while the employee is on E.I., that the parish pay the employee 25% of their salary for E.I. purposes, so that the employee is at 80% of their normal salary, as opposed to 55%.

Effective immediately, when a clergy member takes maternity/paternal leave, while the employee is on E. I. the parish continues to pay the parish portion of pension and benefits at the normal rate, and the employee continues to pay their share so that benefits and pension can continue while the employee is on Maternal/Parental leave (As outlined in the Canada Labour Code, Part III, Division VII, sec 209.2 (1) – 209 (2.1))

3-16 Leave of Absence

It is the policy of the Diocese to permit clergy and lay staff to take a justifiable leave of absence from their area of responsibility, provided suitable alternative arrangements can be made to continue the activities of the parish or Diocesan Office. No leave of absence shall be granted for longer than two (2) years duration except for those elected to provincial or federal governments. Leave of absence may be renewed by the Bishop upon receipt of a letter of application. Clergy and lay staff are eligible after one year full-time service. Parish clergy require concurrence of wardens and approval of the Bishop. Diocesan Centre clergy require approval of the Bishop.

There may be an effect upon salary/stipend and benefits which must be reviewed with the individual requesting leave of absence. The leave of absence may be paid leave or unpaid leave.

Reasons for granting include, but are not limited to:

- ✧ Illness (including sick leave, short and long-term disability)
- ✧ Emergency leave to a maximum of two weeks
- ✧ Extending other program leave such as sabbatical, study leave, professional development
- ✧ Jury duty/Court witness
- ✧ Extended vacation
- ✧ Participation in political process
- ✧ Employment Standards approved unpaid leaves (employee must have been employed by same employer for 30 days:
 - (1) Compassionate care leave – employee to care for a very ill family member (8 weeks)

DIOCESE OF RUPERT'S LAND

- (2) Family leave – employee to deal with family responsibilities or personal illness (3 days).
- (3) Bereavement leave – employee to deal with the death of a family member (3 days).

NOTE: Family member – children, stepchildren, parents, grandparents, spouses, common law spouses, brothers, sisters, step-brothers, step-sisters, aunts, uncles, nieces and nephews as well as those not related but considered a family member.

3-17 Clergy Retirement

Details are found in General Synod Canon VIII. Normal retirement date means the first day of the month next following or coincident with the member's sixty-fifth birthday or following completion of forty Years of Contributory Membership, whichever is earlier. For purposes of General Synod Canon VIII, a member's retirement date must be no later than the December 31st coincident with or next following the member's attainment of the age of seventy-one years.

Before 65, where early retirement is appropriate, each case will be dealt with on an individual basis according to General Synod Canon VIII and Canon IX, and the policy of the General Synod Pension Committee.

DIOCESE OF RUPERT'S LAND

A Diocesan Guide to Facilitate Transition into Retirement

This time line has been prepared by the Bishop's Office in the hope it will help you and us plan for a smooth transition from stipendiary ordained ministry into retirement.

One year (or more) prior to proposed retirement:

Gather information -

Contact the Pension Office @ 1-800-265-1070. The General Synod Pension Office staff will happily answer all your questions.

Suggested questions to help determine if this is financially the right time to retire:

“What is your ‘normal’ retirement date?”

“What is your ‘early retirement’ date, with no reduction in pension?”

“What date would you be eligible for pension?”

“What are the penalties for taking early retirement?”

“What benefit will you receive if you postpone retirement beyond ‘normal’ retirement date?”

Other factors affecting retirement besides age and finances are health (either physical or mental health/state of mind) and spouse's plans, or extended family care responsibilities. Taking these other factors into account can help focus on when retirement would be appropriate.

You may wish to contact the Bishop at any time during this process to discuss and reflect on various issues.

6 – 9 months prior to retirement

Notify the Bishop -

If you have not already been in contact with the Bishop, once a decision has been made about retirement, arrange an appointment to see the Bishop. It is important for the Bishop to know about your retirement plans at least six months, but preferably nine months to a year, prior to your actual retirement date.

During the Appointment with the Bishop:

- a. confirm/establish your exact retirement date, including the last Sunday in the parish. Often this date can be earlier than the actual retirement to accommodate unused holidays.
- b. confirm the date on which the announcement will be made in the parish.
- c. discuss any hopes/desires/wishes for active ministry following your official retirement. (See “Options” below)

After having met with the Bishop:

- ✧ If you have not already done so, send to the Bishop your formal signed letter of resignation as incumbent of the parish noting the effective date of retirement and of the last Sunday in Parish.

DIOCESE OF RUPERT'S LAND

The Bishop will:

- ✧ write a formal letter accepting your resignation due to retirement,
- ✧ write to the Wardens and people of the Parish announcing that he has received your notice of intention to retire, and will give the effective date, and any other pertinent information. The Bishop and/or Archdeacon will meet with the Wardens of the Parish to plan for the ongoing pastoral and sacramental ordained leadership of the parish following the retirement of the incumbent.
- ✧ Once the parish has been formally advised, the information is public knowledge and the Bishop will announce your retirement to the diocesan clergy community through his monthly letter.

3 – 6 months prior to retirement date:

Contact the Director of Finance:

- ✧ Obtain the appropriate application for Pension forms. The Director of Finance can assist you with the completion of the forms, if necessary.
- ✧ The Pension Office requires that completed applications for pension be submitted two month prior to the intended date of retirement. Please give the Pension Office ample time to process your application.

1 – 2 months prior to retirement

Contact the Bishop's Office to arrange for an Exit Interview. This can involve both you and your spouse, if you wish. The interview can take place either before or after your last Sunday in the Parish.

Other decisions to be made prior to and after retirement:

✧ Health Care Plan:

As a clergy retired from active ministry in Rupert's Land, you are eligible to continue your health and dental care coverage with Manulife, but there are a few important changes as a retiree:

- You will be responsible for the entire cost of the premium.
- Premiums for the Retired Clergy plan are based on 'experience' therefore the premiums are significantly higher than those on the active members' plan.
- The Diocese is fortunate to have some funds held in trust for the benefit of retired clergy and/or clergy widows/widowers. Effective January 1, 2009, the diocese will issue retirees a cheque twice a year (in June and December) from the income derived from these trust funds.
- Some benefits previously covered will be terminated upon retirement.

Or,

- You may wish to obtain health and dental coverage through Blue Cross, or another carrier, and not continue in the retiree plan. Obtain information and make the choice that is right for you.

DIOCESE OF RUPERT'S LAND

✧ Where will you worship?

It is expected that you will find a new parish community in which to worship. Give some thought as to where you want to be on Sunday mornings.

Exercising Priestly Ministry after Retirement:

Those in secular work upon retirement, often cease to work at their profession. Because Priests exercise a vocation, many find they don't wish to simply cease their involvement in ministry. The Church offers a unique opportunity for work beyond retirement. Discuss your wishes / hopes with the Bishop. Seek out training opportunities to equip you for specialized ministry.

Sometimes it is wise to take a period of time (six months to a year) before committing to involvement in stipendiary ministry.

Options for continuing to exercise your priestly ministry beyond formal retirement.

✧ Permission to officiate:

Your license to function as an ordained minister will terminate on your retirement date, but the Bishop is prepared to issue a letter of "permission to officiate". This is a letter of permission granted by the Bishop which authorizes you to function in the diocese at the request of the Bishop or a parish Incumbent, but does not obligate you to do so. This letter is not a "license" per se, and therefore does not give membership in Synod.

✧ Honorary Assistant:

If you find a parish, settle in and wish to become an Honorary Assistant, this is done by request of the parish vestry to the Bishop. A license may be granted as an Honorary Assistant usually some 3-6 months after you have been worshipping in that parish.

✧ Interim Ministry:

If Interim Ministry is of interest, training is required. Please discuss this with the Bishop.

✧ Term Appointment / Part time appointment:

If a part-time or term appointment is of interest, make your wish known to the Bishop. These positions arise from time to time.

✧ Temporary Duty:

Regularly, there is need for a Priest to fill in on a Sunday to preside at the Eucharist. A fee for service and travel is paid to those taking temporary Sunday duty. Contact the Executive Assistant to the Bishop if this interests you.

Note: Once you begin drawing your church pension, you will not be able to make pension contributions to your plan, regardless of whether or not you continue in paid employment within the church.

3-18 Clergy Loan Fund

The fund was created to provide low interest loans to clergy primarily to assist them with the financing of a car. It is assumed that a parish priest must generally have a car in order to carry out his or her ministry effectively and efficiently. The fund would seem to

DIOCESE OF RUPERT'S LAND

have been intended to provide assistance in cases of need rather than to be an additional fringe benefit to all.

Policy and Guidelines

- ✧ The maximum loan amount is \$4,000.00
- ✧ Diocesan policy on clergy loans is that interest rate is at prime + 1%, with interest calculated monthly on all loans..
- ✧ The minimum payment is \$125.00 monthly on all loans.
- ✧ A deacon or priest who submits an application to the Diocese is placed on a waiting list.
- ✧ A further loan is not available to anyone within four years from the date on which a previous loan commenced.
- ✧ When funds become available for a new loan, the list is reviewed by the Director of Finance and the Bishop who will decide together which applicant will receive the new loan. (Newly ordained clergy are often given priority.)
- ✧ In the event that a recipient of a loan from the fund ceases to be a stipendiary cleric within the Diocese of Rupert's Land, the balance of the loan is due and payable at the date of such an event.

4. Performance Matters

4-1 Covenant

Within six months of the commencement of an appointment of clergy to a parish, a covenant between the parish and the clergy shall be created, The purpose of this section is to ensure that a comprehensive conversation is had in the development of the covenant. The covenant shall be developed by the Wardens and clergy and presented to the Vestry for input and information. This covenant needs to identify the expectations of the clergy as well as the expectations of the parish.

Subjects that may be included in the covenant are:

- Responsibility in leadership roles, e.g. preacher, worship leadership, pastor administrator, teacher, counselor, organizer,
- The priority of the roles, i.e. when insufficient time/resources are available to accomplish all tasks, which have priority
- Hours of work, including office hours, timing of vacation periods and designated days off, Study Leave / Sabbatical (as per Study Leave Policy and the Continuing Education / Sabbatical policy) and sermon preparation time. (Note: Relevant legislation around working hours in Canada and specifically in Manitoba can be obtained from Government of Canada and Province of Manitoba websites.)
- How the corporation, vestry and parish will support the ministry of the clergy.

4 – 2 Review

A review of the incumbent will take place at regular intervals based on the expectations of the priest and parish as set out in the letter of appointment and the Bishop's Expectations of Clergy.

DIOCESE OF RUPERT'S LAND

The incumbent will meet annually with the appropriate authority (Wardens or Bishop) to identify, discuss and record any deviations from the expectations and any need to amend them in light of changing circumstances.

It is recommended that every three years a more comprehensive review be undertaken under the guidance of a committee consisting of the wardens and two members appointed by the Vestry (Parish Council). The committee will seek input and responses from the incumbent and all recipients of his/her ministrations before submitting its review to the incumbent and/or Bishop for consideration.

4-3 Policy on Building Healthy Communities

See website for The Diocese of Rupert's Land
<http://www.rupertsland.ca/content/uploads/Building-Healthy-Communities-Complete-Feb-2011.pdf>

4-4 Policy on Sexual Misconduct

It is the policy of the Diocese of Rupert's Land that sexual harassment of any kind is wrong, and will not be tolerated whether it is perpetrated by clergy, paid employees, volunteers, or participants in any activity in the life of a parish or diocese. Sexual abuse of children is addressed in a separate diocesan policy.

4-5 Dismissal with or without cause

Clergy may have their licence revoked, or other appropriate action taken by the Bishop. See Canon 12 and 13. Parish staff may be terminated by the Corporation.

CANON 13

DISCIPLINE

1. This Canon is enacted in pursuance of, and is supplemental to, Canon XVIII of the General Synod of The Anglican Church of Canada, ("General Synod") dealing with Discipline in respect of priests, deacons, bishops and lay members of The Anglican Church of Canada ("the Church") within the Diocese or otherwise under the jurisdiction of the Bishop.
2. Where it is alleged that a bishop, priest, deacon or lay member of the Church under the jurisdiction of the Bishop, has committed an ecclesiastical offence under Canon XVIII of General Synod, the Bishop, pursuant to Canon XVIII, has initial jurisdiction with respect to whether an ecclesiastical offence has been committed and the penalty for the commission of that offence. The Bishop may refer the determination of whether an ecclesiastical offence has been committed or the determination of a penalty, or both, to the Diocesan Court established by Synod pursuant to section 4 of Canon XVIII, for its consideration, without exercising the initial jurisdiction.
3. Before exercising the initial jurisdiction or making a determination to refer to the Diocesan Court, the Bishop may, by means of personal enquiry, counseling and consultation, attempt to resolve the matter informally by consent; and, if successful, the procedures in this Canon do not apply.
4. (a) If the Bishop decides to exercise the initial jurisdiction and not refer the matter to the Diocesan Court, the Bishop shall appoint a group of not more than five persons, including both clerical and elected lay members of Synod, called "the Discipline Advisory Board", to assist with the investigation and to advise the Bishop as to the determination of whether an ecclesiastical offence has been committed and the penalty therefore.

(b) In exercising the initial jurisdiction, the Bishop and the Discipline Advisory Board shall ensure that the process to be followed is in accordance with the principles of procedural fairness and natural justice. The process shall include the delivery to the person alleged to have committed an ecclesiastical offence (the "respondent") of a written charge that sets out the ecclesiastical offence alleged to have been committed together with sufficient particulars so as to permit the respondent to identify the basis of the charge.

(c) The Bishop shall render the verdict, containing reasons, in writing, and provide a copy to the respondent.
5. (a) The Diocesan Court (the "Court") shall consist of:
 - (i) the Chancellor, or in the absence of the Chancellor, the Vice-Chancellor;
 - (ii) three lay delegates to Synod elected by the Laity;
 - (iii) three clerical members of Synod elected by the Clergy.
(b) The Committee on Nominations shall, at each session of Synod at which elections are to be held, submit a list of persons who have indicated a willingness to serve on the Court.

(c) The Chancellor, or in the absence of the Chancellor, the Vice-Chancellor, shall preside over the Court.

DIOCESE OF RUPERT'S LAND

- (d) A quorum shall consist of the Chancellor or Vice-Chancellor, plus four other members, at least two of whom shall have been elected by the Laity and at least two of whom shall have been elected by the Clergy.
 - (e) The Court shall, subject to the provisions of Canon XVIII, establish the procedures respecting matters to be heard by it.
 - (f) If any member of the Court is disqualified from acting on a particular matter because of a conflict of interest, or any other reason, the other members shall appoint a qualified person to act in place of the disqualified member. Any other vacancy, howsoever caused, shall be filled by the appointment of another qualified person by the Diocesan Executive Committee.
6. (a) A respondent who has been found guilty by the Bishop of an ecclesiastical offence may, within thirty days of receiving written notice thereof, appeal the finding of guilt or the penalty, or both, to the Court. The notice of appeal must be in writing and delivered to the Secretary of Synod or to the Bishop and must set out whether the appeal is from the finding of guilt or the penalty, or both. The notice of appeal shall also contain a concise statement of the reasons for the appeal.
- (b) The Diocesan Executive Committee, on its own motion, or on the petition of the respondent, may require the finding of guilt or the penalty, or both, of the Bishop, to be reconsidered by the Court; and in such case, the reconsideration by the Court shall be governed by the same procedures in Sections 6, 7 and 8 as are applicable to an appeal.
7. (a) Within fourteen days from the receipt of the notice of appeal (or reconsideration), the president of the Court shall provide the respondent with a copy of the procedures to be followed with respect to the appeal.
- (b) The hearing shall take the form of a new hearing at which the parties may submit documentary and oral evidence.
- (c) The Court shall provide to the Bishop a copy of the notice of appeal and the Bishop shall, within fourteen days of receipt, respond in writing to it. The response of the Bishop shall be forthwith provided by the Court to the respondent.
- (d) The Bishop shall be deemed a party to the hearing and shall appoint another person to be the Bishop's representative at the hearing.
- (e) The Court shall render its verdict, containing reasons, in writing, and provide a copy to both the respondent and the Bishop.
8. (a) Within one month of the date of the decision of the Bishop or the Court, as the case may be, the Secretary of Synod shall transmit to the Registrar of the Diocese for safekeeping, a true copy of the charge, the response of the respondent, the evidence, and the decision of the Bishop or Court, and of all correspondence and other documents relating to the process.
- (b) If the decision is appealed under section 8, the Registrar shall obtain and file for safekeeping, a copy of the decision on appeal.
9. If the respondent or the Bishop is dissatisfied with the verdict of the Court, an appeal may be taken as provided in part VI of Canon XVIII.

The applicant shall pay the remaining 20% of the cost.

6.3 Interim Ministry in the Parish

Brief sketch of the thrust of Interim Ministry in the Parish

(The term "pastor" is sometimes used because this tool is inter-denominational)

1. **History** – it's important that the Interim Priest, but especially the congregation, has some understanding of its shared history. Facilitated by the Interim Priest, the congregation "constructs its story" together. This is not merely establishing the facts, but more importantly how people remember *and interpret* what has happened.
2. **Transition Team** – (Quotes are from the Interim Ministry Manual) "Transition will occur. Transformation may not. Change is inevitable ... Congregational and institutional anxiety begins when the departure of the previous pastor becomes known and doesn't end until the new replacement pastor has weathered his or her first crisis. The principal objective of the transition plan is to deal with anxiety over an intermediate and undetermined period of time."
"The Transition Team is made up of 3 – 7 experienced, healthy and mature members of the congregation. They are, to be succinct, the most trusted members with the longest view of parish life. [This doesn't necessarily mean the oldest.] They are not the governing body of the church. They are the change agents of the congregation ..."
"The Transition Team has three separate and distinct functions:
 - a) Assure the appropriate exit of the former pastor regardless of circumstances. [In our situation, the former pastor has already gone. It is more helping the congregation come to terms with the exit of that person.]
 - b) Advise the interim pastor during the transition period.

DIOCESE OF RUPERT'S LAND

c) Counsel the new settled pastor until the first crisis is resolved.”[This 3rd function is usually a little less formal. The Team usually concludes most of its work at the time the Parish Profile is being prepared to call a new Priest, and the wardens (and sometimes the whole Canonical Committee) pick up this final piece.]

“One of the most valuable gifts the Team makes to the interim is to respond quickly to what isn't working. It is used to build consensus from the bottom up ...”

3. **Grief** – The Parish needs to acknowledge the reality of the “loss” or “death” that has occurred – and to share the pain of the loss individually and collectively. It then needs to be helped to “reorganize” itself in light of the reality of the loss. “The restoration of meaning or faith for a Parish will begin to occur when the community is free to hope again.’
4. **Establishing a New Identity** – This is the beginning of the Parish members taking stock of their gifts and resources, the call to mission in their local community and beyond, and the nature of their context. It is also a time when parishioners examine what changes they must make in order to effectively engage this call to mission alongside a new Incumbent – including a recognition of the qualities and gifts they are able to offer to help the parish grow in vitality and viability.
5. From this, new patterns of communication, leadership and trust develop. There are many “teachable moments”. In particular, the interim period is an excellent time for re-building and strengthening relationships beyond the parish – with other parishes and especially with the Diocese.

To summarize the interim: There are 4 distinct phases which happen in this sequence (though they overlap and flow back and forth into each other):

1. *Letting go of what “has been” – grieving – not just the person but the “system” which they supported and enlivened.*
2. *Discerning “who we are now” – in the absence of the previous priest.*
3. *Discerning “who/what is God calling us to become?”*
4. *Discerning what kind of ordained leader we need to help us fulfill the vision.*
