

Clergy & Lay Professionals Annual Conference

"MAY WE BE INSTRUMENTS OF PEACE" Becoming People of the Land: Indigenous Christianity and the Anglican Church of Canada

**Tuesday, June 7, 2011 (4pm) –
Friday, June 10, 2011 (noon)**

With the **Rt. Rev. Mark MacDonald**
And the **Rev. Barbara Shooski**

The Anglican Church of Canada is entering a new era. A key element of the opportunities before us is the relationship of the Church to Indigenous Peoples. As the Word of God and the Traditions of Christian Faith become embodied in Aboriginal life, new doors will open for all members of the Church. This gathering will explore some of the ways we can welcome this new day together. As Indigenous Christianity grows, the rest of the Church will also have an opportunity to become a truly Canadian church. God appears to be creating a pathway to a Christian discipleship of the Land.
